(EN) Hold the 3 layers together before you cross-snap the green flexible rods.

(FR) Maintiens les trois couches ensemble afin de pouvoir encastrer, en les croisant, les tiges flexibles.

13

(EN) You can put a temporary rod through the 3 white connectors to hold them in place while you attach the green flexible rods.

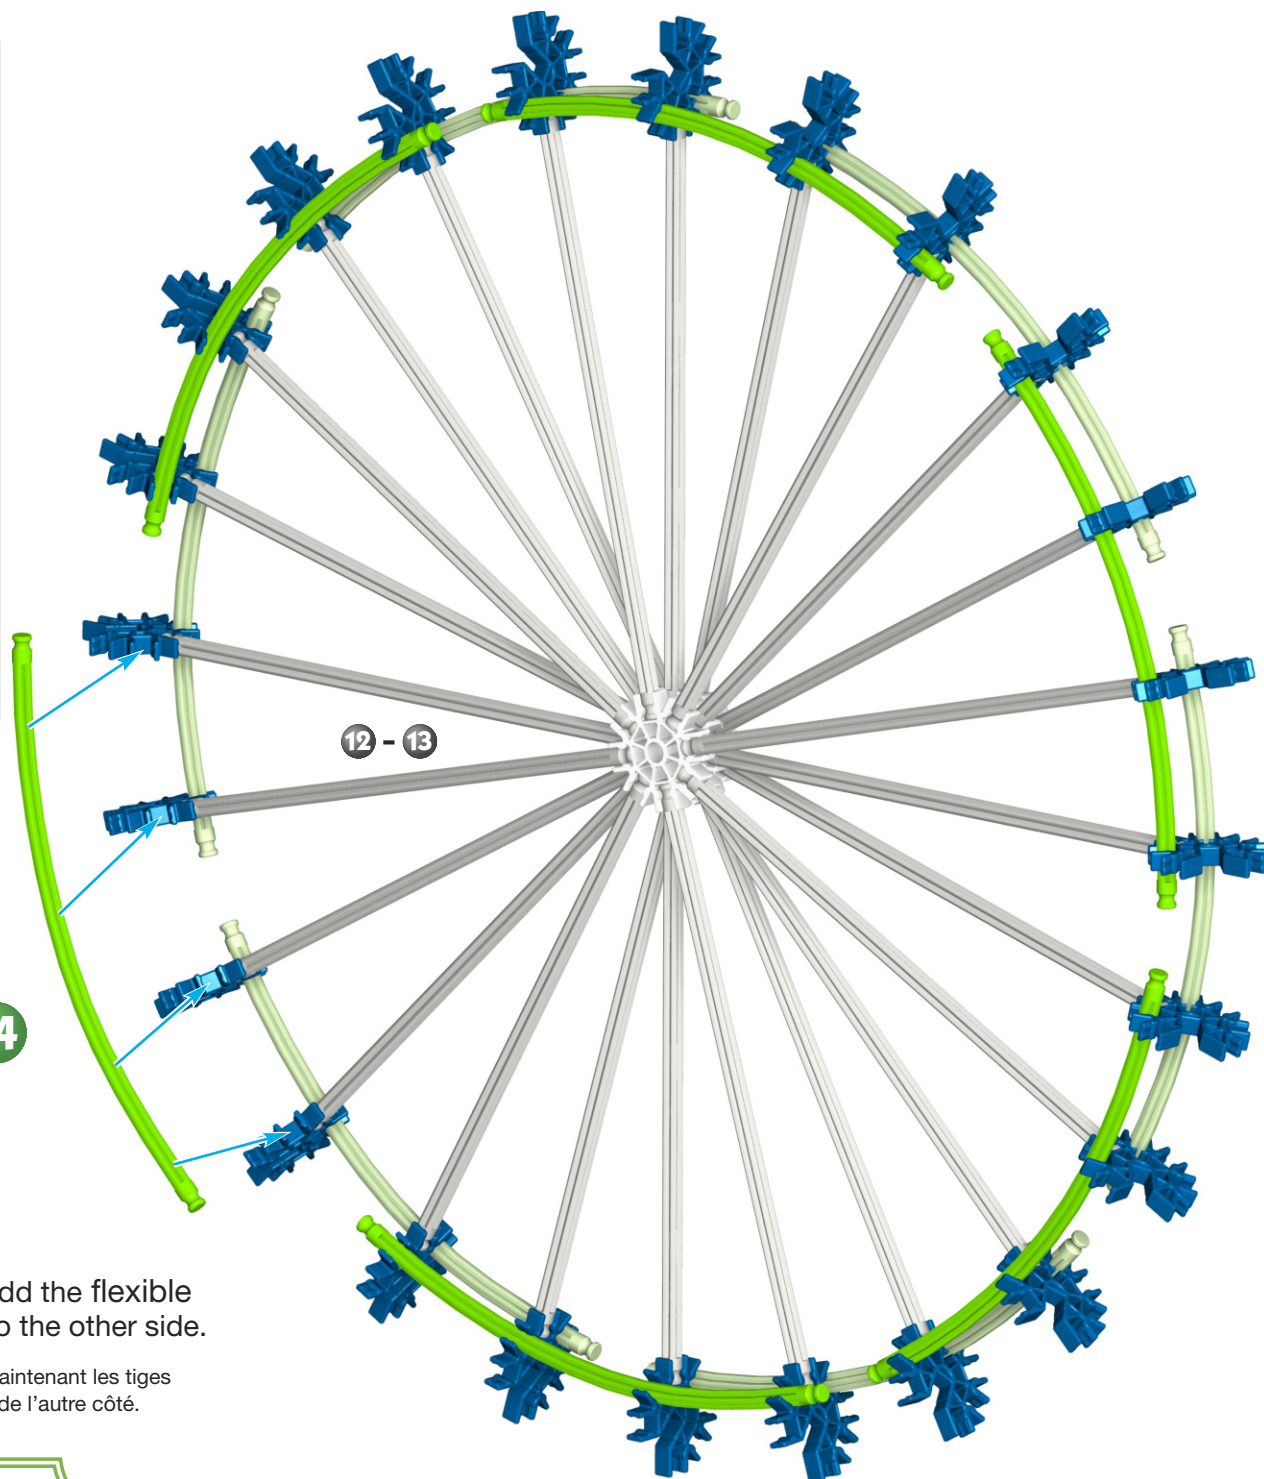

(FR) Vous pouvez ajouter une Tige temporaire et des « clips » pour maintenir en place les trois connecteurs blancs pendant que tu fixes les tiges flexibles.

12 - 13

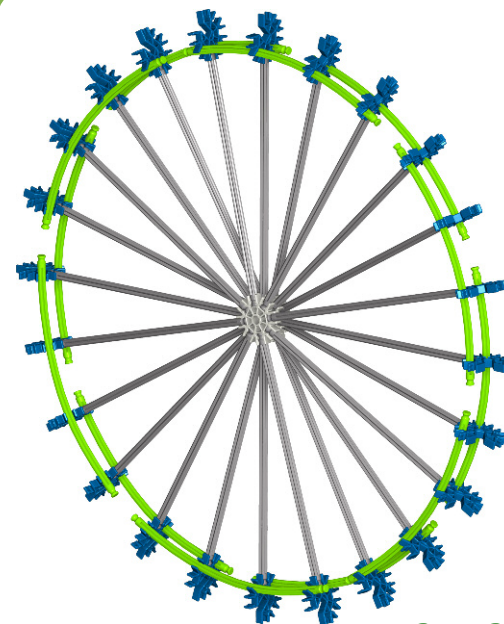

x 6

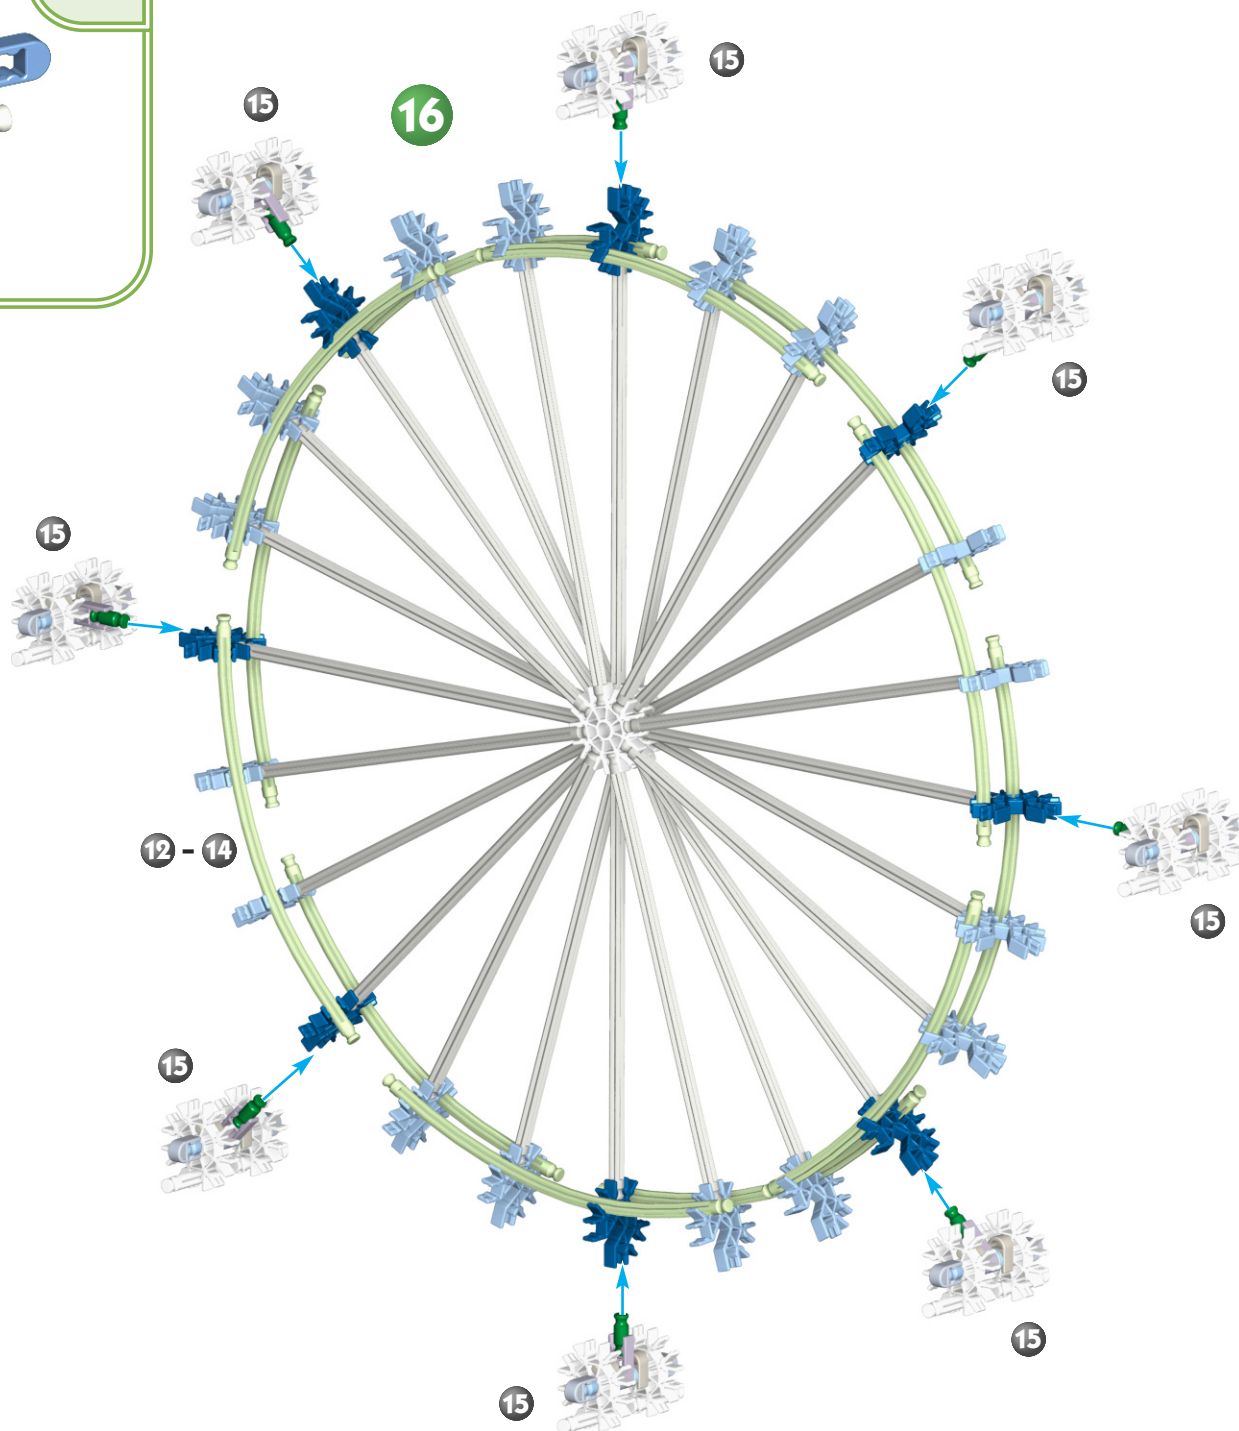

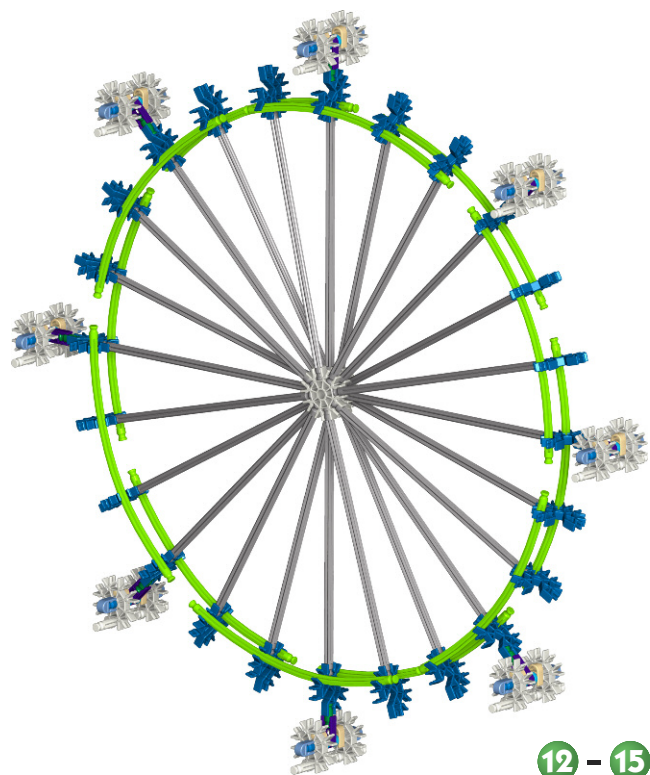

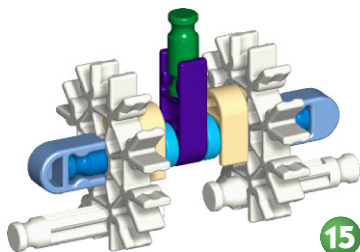

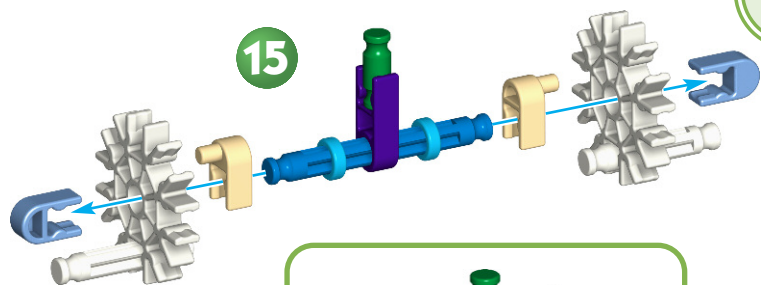

(EN) Now add the flexible rods to the other side.

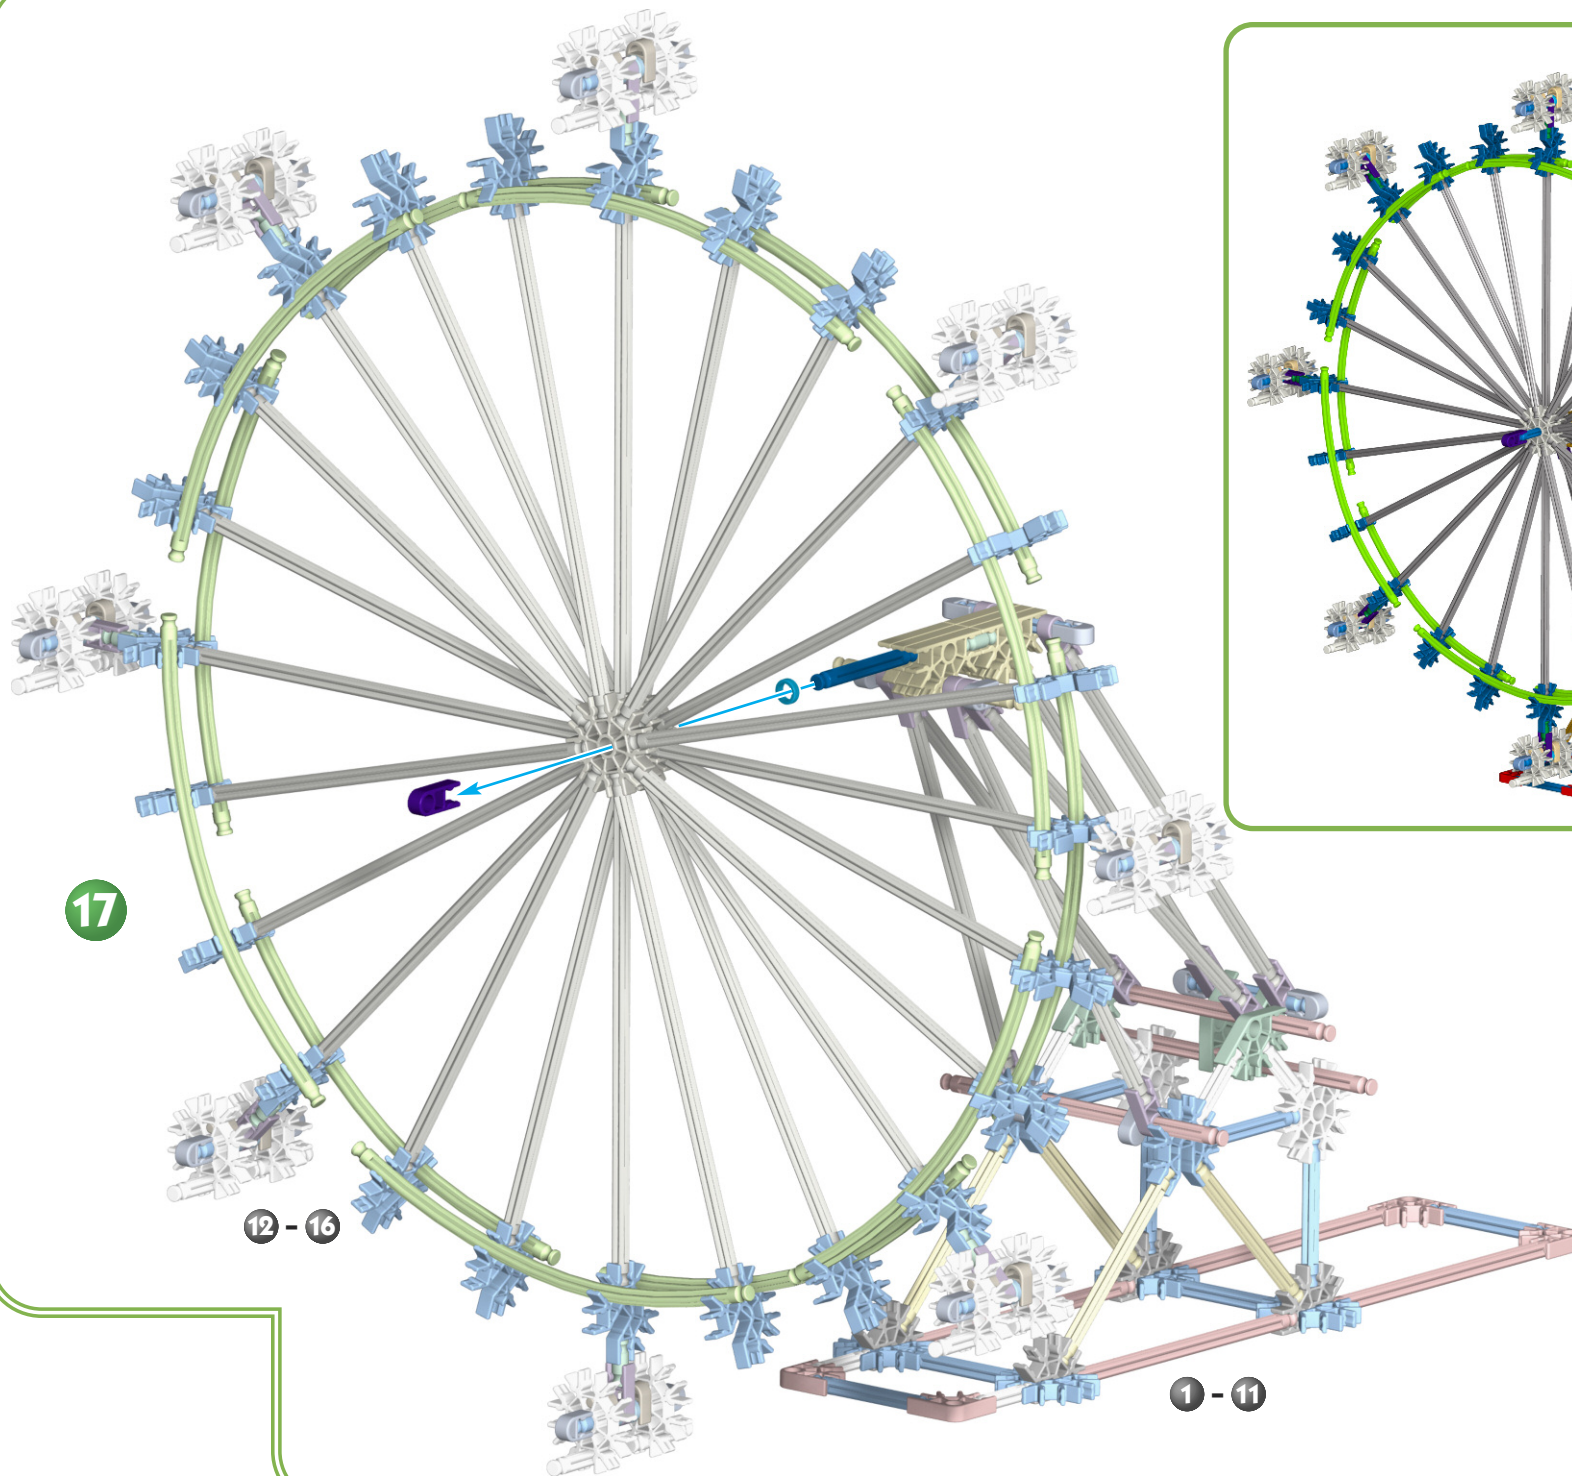

(FR) Ajoute maintenant les tiges flexibles de l'autre côté.

12 - 14

x8

(EN) Put a book here to hold down the model.

(FR) Utilisez un livre pour maintenir le modèle à plat.
