Go to [www.knex.com/downloadables](http://www.knex.com/downloadables) and enter 43535 to print the photo in the frame, or add a photo of you and your friends!

On the next page are tips on how to insert a picture without taking it apart.

What else can you design and build for your room?

Hold the frame and slide the 4 purple connectors back on the white rods without taking them off. Insert a 4"x 6" picture and push the purple connectors back in place.
