

**K'NEX building basics:**  
To begin your model, start here at step 1 and follow the numbers. It helps to face your model in the same direction as the instructions while you build. The arrows show you where the parts connect. The faded color parts are the ones you have already put together.

**Notions de base K'NEX pour le montage:**  
Pour commencer ton modèle, trouve l'étape numéro 1 et suis les numéros. Pour t'aider pendant que tu construis, oriente ton modèle dans le même sens que les instructions. Les flèches t'indiquent où les pièces s'assemblent, mais les points de raccordement n'ont pas tous des flèches. Les pièces de couleur délavée sont celles que tu as déjà assemblées.
