Since their creation in 1916
by John Lloyd Wright,
Lincoln Logs® building sets
have entertained boys
and girls...and now their
boys and girls too. With
its simple building
system, friendly styling,
and real wood logs,
this well loved brand has
become a classic
in creative play.

TIP FOR PARENTS:

Because Lincoln Logs are colored
and stained in the traditional
manner, the dyes can rub off.
Use is recommended on surfaces
that can be wiped clean.
Avoid placing the logs directly on
carpet and other absorbent
surfaces, which may cause staining.
