Each K'NEX piece has its own color and shape; match it to pieces in the picture instructions. Put pieces together exactly as pictures show. Be sure to put Rods in the correct slots of Connectors, so you have proper angles in your finished model.

Chaque pièce K'NEX a une couleur et une forme bien à elle. Faites correspondre et montez les pièces les unes sur les autres en suivant exactement les instructions illustrées. Assurez-vous de bien assembler les tiges dans les fentes des connecteurs afin d'obtenir des angles corrects une fois le modèle fini.

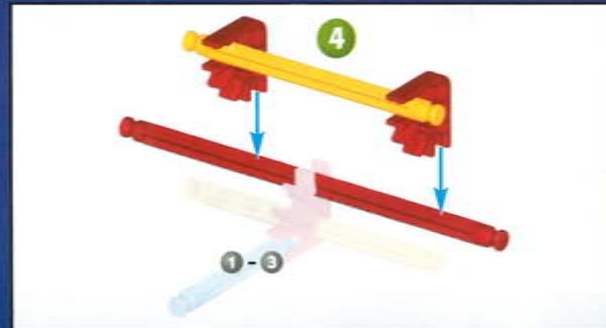

Assurez-vous de bien assembler les tiges dans les fentes des connecteurs afin d'obtenir des angles corrects une fois le modèle fini. Asegurarse de colocar las varillas en las ranuras correctas de los conectores, de modo que al terminar el modelo, los ángulos sean los adecuados.

Faded colors indicate sections previously built; connecting points will be in full color.

Les couleurs plus claires indiquent les sections déjà construites. Les points de jonction sont indiqués en couleurs vives.

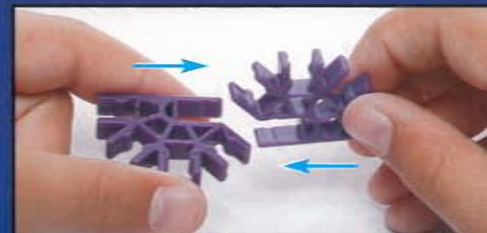

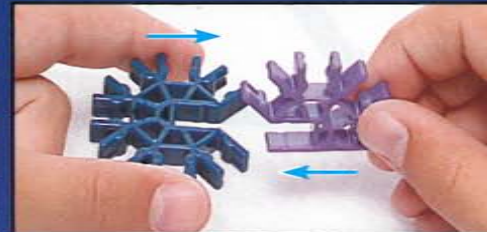

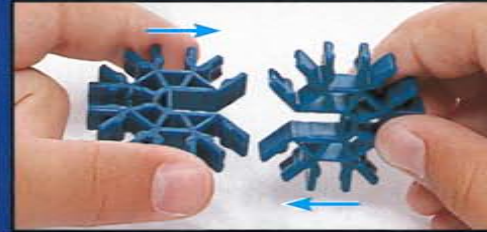

Los colores apagados indican secciones que ya han sido montadas anteriormente. Los puntos de conexión se indican con colores vivos.

It's very important to position blue and purple Connectors in a specific direction. Pay close attention to the instructions, and position these Connectors horizontally or vertically exactly as they are shown. Push together tightly until you hear a "click".

Il est important de bien placer les connecteurs bleus et violets dans le bon sens. Lisez attentivement les instructions et placez ces connecteurs horizontalement ou verticalement selon l'indication. Appuyez dessus en forçant légèrement jusqu'à ce que vous entendiez un déclic.

Es muy importante colocar los conectores de color azul y morado en una dirección específica. Prestar mucha atención a las instrucciones y colocar estos conectores según se indica, ya sea horizontal o verticalmente. Para conectarlos, presionar hasta oír un "clic".
